6.5.1: Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities

NCP has constituted the Internal Quality Assurance Cell (IQAC) in 2021 for the continual enhancement in terms of quality of the Institute in all aspects. The College Academic Committee (CAC) used to play the same role before the establishment of IQAC. IQAC was established as per rules and guidelines prescribed by NAAC.

Objectives:

- Ensuring continuous improvement in all the operations of the institute.
- Ensuring quality and integrity to stake holders.
- Developing a strategic action plan to improve the academic and administrative performance of the institute.

Functions:

- Collecting feedback from stakeholders of the institute on quality initiatives.
- Documenting the various programs/activities that lead to quality improvement.
- Organizing workshops and seminars on quality development for the faculty and students.

Teaching-learning Process:

- ❖ IQAC monitors the teaching learning process at regular intervals through our organizing committee members. IQAC conduct an annual meeting every two months to review the learning process, structures & methodologies of operations and learning outcomes. Based on that review the committee will give the necessary directions to improve the quality of teaching methodologies.
- ❖ These meetings are intended to review the overall result analysis and to check the planned goals and achievements of IQAC.
- ❖ The IQAC decisions & its modifications are planned to be held in every tri-quarterly meeting this is going to be happen in regular process.
- ❖ Every department will conduct workshops, training programs and guest lecturers periodically addressed by the eminent persons from Industry, Academic and Research
