7.3.1: Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words

Nimra College of Pharmacy is a self-finance institution established by Nimra Educational Society in the year 2006 with a view of providing Pharmacy education within a modern educational environment and strong academic planning, Nimra is strongly identified with most trusted name of Pharmacy education in Coastal Andhra, since its inception and foundation. NCP has constantly led the way in reform movements, reconstruction, modernization, and administration of the society. The college provides students with an exceptional education because of the quality of its faculty, staff, student services, curriculum, experiential programs, and the quality of the students themselves.

Over the past years, we have made great strides in quality pharmacy education, providing unique learning opportunities for students and meeting the challenge of industry demands. We are proud of our significant progress in meeting the goals and objectives of the college's mission to promote the health and welfare of the citizens of the nation. There is a deep and abiding resolve on the part of all who comprise the College family to actively contribute to the full professional realization of each and every student. We believe that a true grounding as a professional requires a sense of belonging, a sense of caring, and a sense of commitment. In that regard, we are driving by a "spirit of community."

NCP is determined of preparing outstanding pharmacists and pharmaceutical scientists to meet the health care needs of the diverse populations of the state and society and enhancing the delivery of essential pharmacy services for all citizens. Reflecting the values of education, the vision of the Nimra College of Pharmacy is to contribute to the building of a better society for all through improved health status of individuals and the community. We will accomplish this vision through devotion to our mission of increased educational opportunities to society as a whole. The College will strive to prepare students to be competent, attentive, and ethical professionals dedicated to providing care to patients and supporting the health care team.

The mission of Nimra College of Pharmacy is to provide excellent education in a stimulating environment where delivery of superb pharmaceutical care is integrated with nationally and internationally recognized research. In order to achieve our mission, we apply innovative and proven educational methods to produce pharmacists who possess the skills and knowledge they need to serve their patients in an ethical and professional manner. Our mission
